

## Crocheted Hair Net – US Terms

Shared by Veronica

Round 1 Start with 5 chain (ch) and join with a slip stitch (sl st) to form a ring

Round 2 4ch (this counts as the first double crochet (dc) now & throughout)

1dc in same place as sl st (effectively behind the join, forming a V), ch

\*\*2dc in next st, ch, 1dc in next st, ch {you can crochet into the space instead of the stitch}

repeat (rep) from \*\* to end of row (15 dc)

join with sl st

Round 3 4ch, 1dc in same place as sl st, ch

1dc, ch in each of next 2 st

\*\*2dc in next st, ch, 1dc, ch in each of next 2 st

rep from \*\* to end of row (20dc)

join with sl st

Round 4 4ch, 1dc in same place as sl st, ch

1dc, ch in each of next 3 st

\*\*2dc in next st, ch, 1dc, ch in each of next 3 st

rep from \*\* to end of row (25dc)

join with sl st

Continue increasing like this until the hair net is the diameter for you. Then you need to do 1dc in each st around the row. After this you decrease (dec). I generally do 8 dc then dec 9 & 10 for the first row. Then I do about 5dc and dec 6 & 7 for the next row. It really depends on the size of the hair net as to how you dec.

Once you have finished, you can crochet in a hair band or tie off and thread elastic through, stitching the ends together once it has been woven through the last row.
